Safeguarding Policy Statement

Thornton Cleveleys Cricket Club (the Club) is committed to ensuring all children (i.e all persons under the age of 18 years) participating in cricket, have a safe and positive experience.

Please see the following:

- 1) Putting things in place.
- 2) Having the right people in place.
- 3) What to do if you have a concern.
- 4) Cricket specific guidance.

1) Putting things in place.

We recognise all children participating in cricket (regardless of age, gender, race, religion, sexual orientation, ability, or disability) have the right to have fun and be protected from harm, in a safe environment.

We ensure individuals working within cricket at, or for, our club provide a welcoming, safe, and fun experience for children.

We provide an environment where the views of children, parents and volunteers are sought and are welcome on a range of issues. This will help us create an environment where people have the opportunity to voice any concerns (about suspected child abuse/neglect and/or about poor practice) to the Club Safeguarding Officer.

We adopt and implement the England and Wales Cricket Board (ECB) "Safe Hands – Cricket's Policy for Safeguarding Children."

We ensure all individuals working within cricket at, or for, the club are recruited and appointed in accordance with ECB guidelines and relevant legislation.

2) Having the Right People in Place.

Appointing a Club Safeguarding Officer and ensuring they attend training as required by the ECB.

4) Cricket Specific Advice

We ensure all individuals working within cricket at, or for, the club are provided with support, through education and training, so they are aware of, and can adhere to, good practice and Code of Conduct guidelines as defined by the ECB and the club.

We ensure all people who work in cricket at, or for, our club (such as staff, officials, volunteers, team managers, coaches and so on) understand how the "Safe Hands Policy" applies to them.
